Larry Nussbaum, who died on June 7 at age 77 following a long illness, was already working as a successful pediatrician in Tulsa when he decided to make a big change in his career.

Always a fan of technology, Nussbaum decided he wanted to switch fields and become a radiologist. Despite having two young children and a pregnant wife at home, he went back to the grueling requirements of doing a second residency – eventually earning a reputation as a cutting edge radiologist and serving for 26 years at Liberty Hospital in
